

There are a lot of components to a great cup of coffee: quality beans, careful roasting, the knowledge to put it all together, and a good sprinkling of ethics to top it off. Joël's Coffee uses the

best coffee beans available, all certified organic and fairly traded, and roasts them artisanally to perfection at the shop in Rockland, Ontario.

Light Roast

Specially selected and lightly roasted, this delicate and fruity coffee will be a great start to your day

Medium Roast

Carefully roasted to bring it to a perfect balance of flavours, you will enjoy our medium roast at any time

Dark Roast

Longer roasting brings out the deep and delicious boldness of coffee flavours, and this dark roast is sure to entice you.

Also available: **Dark Roast Decaf**
